

## **Talent/Training Program for Technical/ Scientific Staff and Researchers**

A major problem faced by universities is the lack of trained technical personnel capable of operating sophisticated equipment or carrying out technical tasks in laboratories. This programme addresses this issue by supporting short term training of such person. Scientific / technical staff, researcher and teachers of Public Sector Universities can avail the grant for short term local as well as foreign training of their own choice but related to their field.

### **Training Duration**

Not more than three months.

### **Financial Assistance**

<b>Training within the Country</b>	<b>Training Abroad</b>
<ul style="list-style-type: none"><li>• Each trainee will receive travel allowance as per entitlement, daily allowance (DA) and hotel charges as per Government rules applicable (up to a maximum amount of Rs. 1500 per day) for the entire period of training.</li><li>• User charges such as training fee/bench fee up to Rs. 50,000/- (Rupees fifty thousands) will be paid directly to the training institution, if required.</li></ul>	<ul style="list-style-type: none"><li>• Each trainee will be given a maintenance allowance @ US \$ 1,200 (US Dollars Twelve Hundred) per month and an economy class return air ticket.</li><li>• User charges such as training fee/bench fee up to US \$ 1,000 (US Dollars One Thousand) will be paid to the training institution, if required.</li></ul>

### **Eligibility Criteria**

- i. Qualifications and training requested must be in consonance with each other.
- ii. Preference will be given to those who have already acquired the initial training of installation/use of similar/identical equipment
- iii. Written consent of the host university/institution is compulsory for the training.
- iv. Concerned university /institute must provide financial coverage of health insurances for trainees if required by the trainer/training institute.
